BMI Federal Credit Union Donated to Habitat for Humanity

Dublin, Ohio (October 2023) – BMI Federal Credit Union proudly made a monetary donation of \$458 to Habitat for Humanity of Delaware and Union Counties. The donation BMI FCU made will be put toward breaking ground on two new homes in Marysville and Delaware. All donations to Habitat for Humanity will make tangible impacts that will positively affect our communities and last for generations.

About Habitat for Humanity

Habitat for Humanity partners with hard-working low to moderate income families to help them build and purchase their own homes. After each home has been completed, it is sold with a 0% interest mortgage and an affordable monthly payment of 25% of the new homeowner's gross monthly income.

They believe everyone deserves a place to call home. An affordable home quickly becomes a launching point for families as they have more resources to put toward better food, further education, and healthcare.
